## WORK ON INTERSTATES 30 AND 40 REQUIRE NIGHT LANE CLOSURES IN LITTLE ROCK AND NORTH LITTLE ROCK

**LITTLE ROCK (5-30)** – Work on Interstates 30 and 40 will require night lane closures in Little Rock and North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will perform pavement tests, extending from the I-530/I-440/I-30 interchange to the I-40/Highway 67 interchange. The work will alternately close eastbound and westbound lanes and shoulders. Crews will rotate the lane closures to keep one or two lanes open in each direction throughout testing.

The night lane closures will be from 7 p.m. to 6 a.m., from Monday, June 2 through Friday, June 6, weather permitting.

Traffic will be controlled using reflective cones, message boards and arrow boards.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
