BRIDGE REPAIRS REQUIRE LANE CLOSURE ON INTERSTATE 430 IN LITTLE ROCK

LITTLE ROCK (6-2) – Bridge repairs will require a lane closure on Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will repair railing damaged by a recent traffic accident. The work will require closing the southbound inside lane of Interstate 430 between mile markers 1 and 2. The bridge is located over Otter Creek, just north the Baseline Road overpass.

The lane closure will be Wednesday, June 4th and Thursday, June 5th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
