IMPROVEMENTS TO INTERSTATE 55 REQUIRE OVERNIGHT LANE CLOSURES IN CRITTENDEN COUNTY

LITTLE ROCK (6-9) – Improvements to Interstate 55 will require overnight lane closures in Crittenden County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will resurface 8 miles of Interstate 55 northbound between Jericho and near Lake David. The work will reduce traffic to 1 lane between mile markers 14 and 23.

The lane closures will be Thursday night, June 12th through Wednesday morning, June 25th, between 6:00 p.m. and 8:00 a.m., weather permitting. Traffic will be controlled using barrels and warning signs. Lane closures will not occur between Saturdays at 8:00 a.m. and Mondays at 12:00 a.m.

In April, Pace Construction Company, LLC of St. Louis, Missouri was awarded the contract at \$4,951,664.18.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
