SIGN INSTALLATION REQUIRES OVERNIGHT LANE CLOSURE ON I-630 IN LITTLE ROCK

LITTLE ROCK (7-10) - Sign installation will require an overnight lane closure on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will install overhead signs. The work will require closing a lane on I-630 westbound from the I-430 northbound off ramp to the I-430 overpass.

The lane closure will be Thursday night, July 10th through Friday morning, July 11th, between 10:00 p.m. and 5:00 a.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
