BRIDGE SWEEPING WILL REQUIRE LANE CLOSURES ON INTERSTATE 430 IN LITTLE ROCK AND NORTH LITTLE ROCK

LITTLE ROCK (7-22) – Bridge sweeping will require lane closures on Interstate 430 in Little Rock and North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be sweeping away litter and debris that has accumulated on Interstate 430 northbound bridges. The job will require temporary inside lane closures on each bridge as it is being serviced.

The work will be performed Wednesday, July 23rd, between 9:00 a.m. and 12:00 noon. This will be a moving lane closure, so traffic will be controlled with changeable message signs and flashing arrows.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or you can follow us on [@AHTD](https://twitter.com/AHTD).
