### IMPROVEMENTS TO INTERSTATE 30/430 INTERCHANGE REQUIRE OVERNIGHT LANE CLOSURES IN LITTLE ROCK

**LITTLE ROCK (8-18)** – Improvements to the Interstate 30/430 Interchange require overnight lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be constructing new exit ramps on Interstate 30 and Interstate 430 to access Otter Creek and Mabelvale West Road.

The work on Interstates 30 and 430 will reduce traffic to one lane during the overnight hours. The reduction of the center and outside westbound lanes on Interstate 30 will extend from near Baseline Road to the I-30/430 interchange. Crews will then place a precast barrier wall along the outside lane edge to accommodate the ramp construction.

The reduction of the center and outside southbound lanes of Interstate 430 will extend south from near Stagecoach Road to the I-30/430 interchange. Crews will then place a precast barrier wall along the outside lane edge to accommodate the ramp construction.

Below is information on when the overnight lane closures will be in effect, weather permitting.

Date Closed	Interstate	Location	Time Closed	Lane Closed
Tue, Aug 19	30 west	Near Baseline Rd.	8:00 pm – 7:00 am	Outside/Center
Tue, Aug 19	430 south	Stagecoach Rd- Interchange	8:00 pm – 7:00 am	Outside
Wed, Aug 20	430 south	North of Stagecoach Rd.	8:00 pm – 7:00 am	Outside/Center
Thu, Aug 21	30 west	Near Baseline Rd.	8:00 pm – 7:00 am	Outside/Center

McGeorge Contracting Company, Inc. of Pine Bluff, Arkansas was awarded the contract at \$13,383,442. The entire project should be complete by spring 2015. Motorists should exercise caution when approaching and traveling through all highway work zones.
