INTERSTATE 630 RESEARCH WILL REQUIRE WEEKEND LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (9-5) – Interstate 630 pavement research will require weekend lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews are taking pavement samples on Interstate 630 between the Baptist Health exit and University Avenue. The work will reduce eastbound and westbound traffic to two lanes in the construction zone.

The lane closures will be Saturday, September 6th and Sunday, September 7th, between 7:00 a.m. and 6:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
