IMPROVEMENTS TO MLK EXPRESSWAY REQUIRE LANE CLOSURES IN HOT SPRINGS

LITTLE ROCK (9-5) – Improvements to Highway 270 (MLK Expressway) require lane closures in Hot Springs, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be doing routine maintenance including general cleaning, weed eating, and draining cleaning along the Highway 270 (MLK Expressway) median. The work will require closing the eastbound and westbound inside lanes within the moving work area.

The eastbound lane closures will be Monday, September 8th through Thursday, September 11th between 9:00 a.m. and 3:00 p.m., each day, weather permitting. The westbound inside lane closures will likely begin the following week at the same times.

The number of days needed for the closures may be reduced if the work does not take as long as anticipated. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
