IMPROVEMENTS TO INTERSTATE 40 REQUIRE LANE CLOSURES IN LONOKE COUNTY

LITTLE ROCK (9-12) – Improvements to Interstate 40 will require lane closures in Lonoke County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing the eastbound and westbound driving surfaces between Kerr Road (MM 165), at the Pulaski County line and Highway 13 (MM 183), north of Carlisle. The work will alternate between the eastbound and westbound lanes and will reduce traffic to one lane within the work zone.

The lane closures will be Tuesday, September 16th through Thursday, September 18th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
