BRIDGE INSPECTION REQUIRES LANE CLOSURE ON HIGHWAY 367 IN LONOKE COUNTY

LITTLE ROCK (2-21) – A routine bridge inspection will require lane closures on Highway 367 in Lonoke County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be inspecting the bridge over Cypress Bayou, just north of Ward. The work will reduce northbound and southbound traffic to one lane.

The lane closures will be Tuesday, September 16th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using flaggers, barrels and warning signs.

This bridge is 31 feet wide and 212 feet in length. It was constructed in 1950.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
