IMPROVEMENTS TO MLK EXPRESSWAY REQUIRE LANE CLOSURES IN HOT SPRINGS

LITTLE ROCK (9-19) – Improvements to Highway 270 (MLK Expressway) will require lane closures in Hot Springs, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be doing routine maintenance including general cleaning, weed removal, and drain cleaning along the Highway 270 (MLK Expressway) median. The work will require closing the westbound inside lane within the moving work area.

The westbound inside lane closures will be Monday, September 29th through Thursday, October 2nd. All work will be performed between 9:00 a.m. and 3:00 p.m., each day, weather permitting. Traffic will be controlled using barrels and warning signs. The westbound work had been scheduled for the week of September 22nd, but was postponed.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
