## **PAVEMENT RESEARCH REQUIRES LANE CLOSURES ON INTERSTATE 630 IN LITTLE ROCK**

**LITTLE ROCK (9-26)** – Pavement research will require overnight lane closures on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be taking pavement samples from Interstate 630 between Baptist Health and University Avenue. The work will require roving overnight closures of the eastbound outside lane of Interstate 630 within the work zone.

The closure will be **Tuesday night, September 30<sup>th</sup> through Wednesday morning, October 1<sup>st</sup>, between 7:00 p.m. and 5:00 a.m. nightly**, weather permitting.

This project is part of AHTD's Connecting Arkansas Program. More information on this project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
