CONSTRUCTION WORK REQUIRES LANE CLOSURES ON INTERSTATE 430 IN LITTLE ROCK

LITTLE ROCK (10-31) – Construction work will require lane closures on Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be installing a precast barrier wall, hanging a temporary overhead sign on the Kanis Road overpass and restriping the lanes. The work is necessary so southbound traffic can be shifted slightly to give the contractor room to construct an extension of a 4th lane.

The work will reduce I-430 southbound traffic to one lane between the on-ramp at Hermitage Road and the on-ramp at Shackleford Road (Exit 5). Also, the I-430 southbound on-ramp at Hermitage Road will be closed. That traffic will be detoured to the Shackleford Road on-ramp.

The lane closures and detour will be Sunday, November 2nd, between 6:00 a.m. and 6:00 p.m. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
