BRIDGE INSPECTION REQUIRES LANE CLOSURES ON HIGHWAY 229 IN SALINE COUNTY

LITTLE ROCK (11-6) – A routine bridge inspection will require lane closures on Highway 229 in Saline County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be inspecting the Highway 229 bridge over the Saline River, just west of Benton.

The work will reduce traffic to one lane on Wednesday, November 12th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using flaggers, barrels and warning signs.

The bridge was constructed in 1999. It's 1,229 feet in length and 32 feet in width.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
