BRIDGE REPLACEMENT REQUIRES ROAD CLOSURE IN NORTH LITTLE ROCK

LITTLE ROCK (11-26) – A bridge replacement will require a road closure and detour in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The Arkansas Highway Commission awarded a contract to Mobley Contractors, Inc. of Morrilton to replace a bridge on Remount Road in North Little Rock at a cost of \$570,871.86.

The bridge is located over Five Mile Creek, just south of North Little Rock Airport. The work will require closing Remount Road just north of Louisiana Avenue (Camp Robinson) and just south of Mission Road, which is located just south of North Little Rock Airport.

The road will be closed Tuesday, December 2nd through Friday, December 19th. Signs will be posted to detour drivers. **(detour map is attached)**

The bridge that's being replaced was constructed in 1939. It is 25 feet wide and 30 feet in length.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).

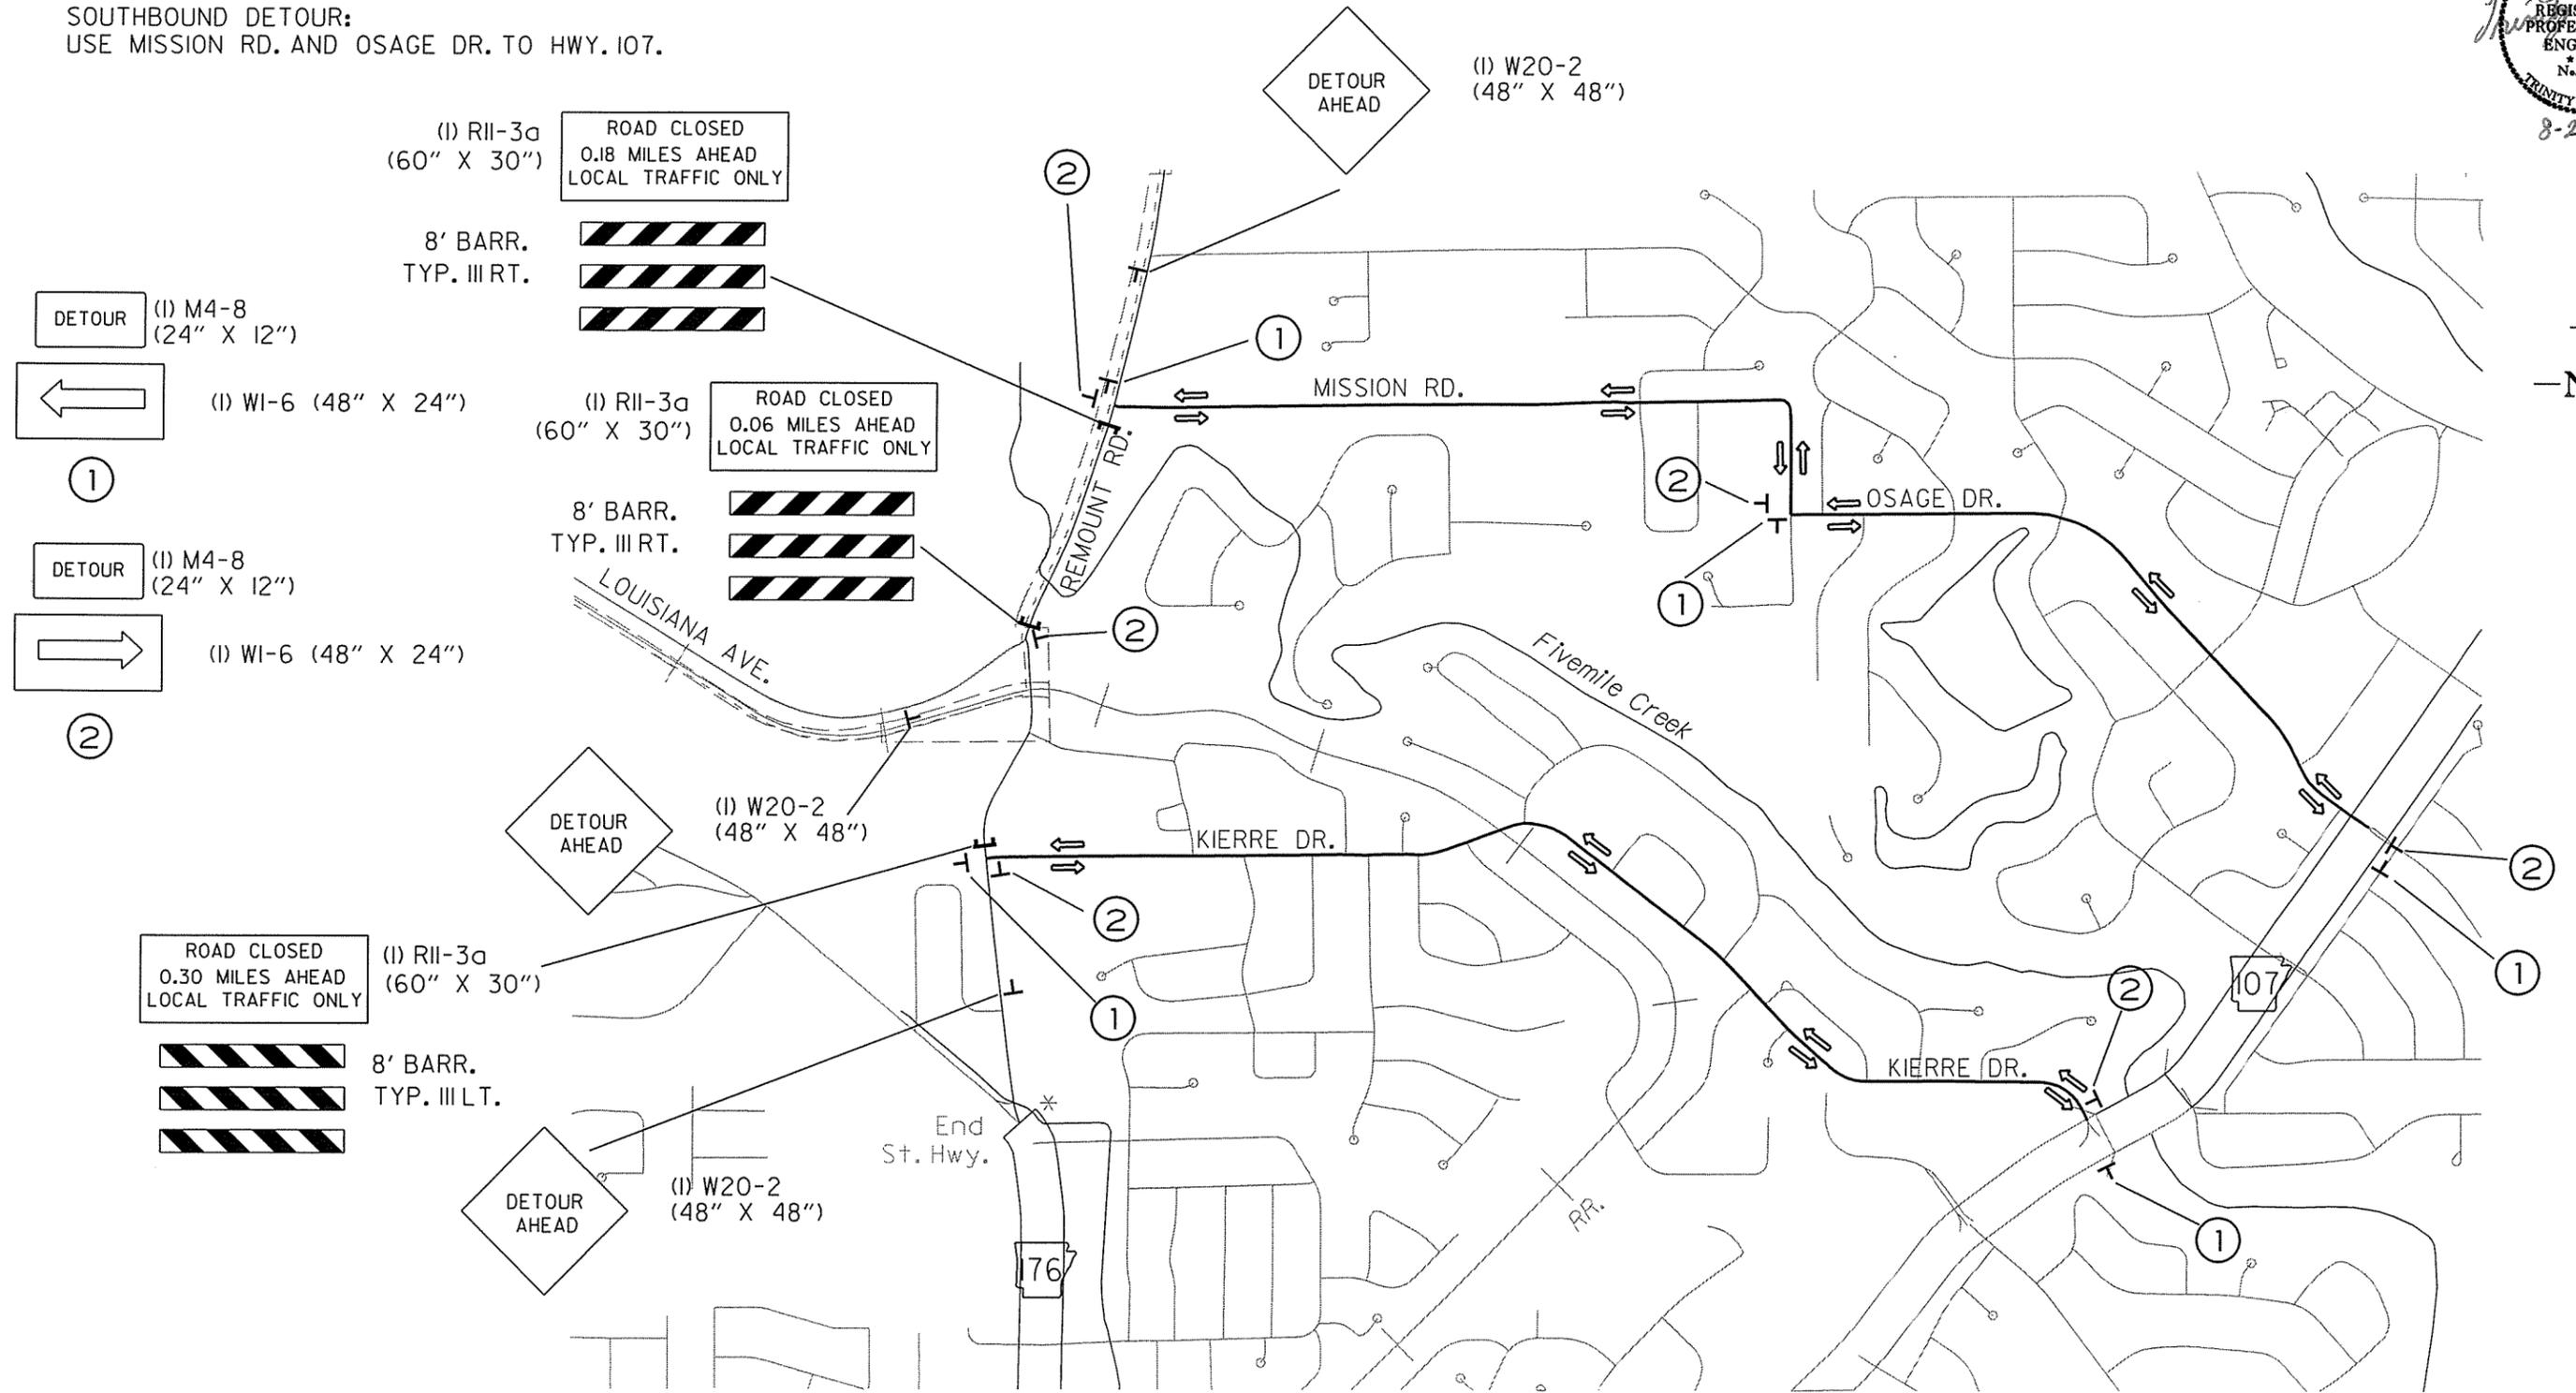

CLOSE REMOUNT RD. BETWEEN MISSION RD. AND KIERRE DR.

NORTHBOUND DETOUR:
USE KIERRE DR. TO HWY. 107.

SOUTHBOUND DETOUR:
USE MISSION RD. AND OSAGE DR. TO HWY. 107.
