IMPROVEMENTS TO INTERSTATE 430 WILL REQUIRE LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (12-1) – Improvements to Interstate 430 will require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be restriping the northbound and southbound lanes between Interstate 30 and Interstate 40. The work will reduce traffic to one lane within the work zone.

The work will occur Tuesday, December 2nd through Friday morning, December 5th, between 8:00 p.m. and 7:00 a.m., nightly, weather permitting. Crews will begin striping the southbound lane. Once it's complete, they will stripe the northbound lane. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
