## **BRIDGE MAINTENANCE REQUIRES LANE CLOSURES ON INTERSTATE 30 IN HOT SPRING COUNTY**

**LITTLE ROCK (1-7)** Routine bridge maintenance will require lane closures on Interstate 30 in Hot Spring County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be removing and repairing delaminated concrete under the two Highway 270 bridges spanning Interstate 30 near Malvern. The work will require closing the I-30 eastbound outside lane between mile markers 96 and 98.

The eastbound outside lane closure will be Thursday, January 8<sup>th</sup> and Friday, January 9<sup>th</sup> between 9:00 a.m. and 2:30 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

These bridges were constructed in 1964. They are 427 ft. long and 28 ft. wide.

Motorists should exercise caution when approaching and traveling through all highway work zones.
