### **IMPROVEMENTS TO INTERSTATES 40 AND 430 REQUIRE OVERNIGHT LANE CLOSURES IN PULASKI COUNTY**

**LITTLE ROCK (1-22)** – Improvements to Interstates 40 and 430 will require lane closures in Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The contractor will be installing a precast barrier wall and performing construction on the I-40/I-430 ramp bridge in North Little Rock. Traffic will be controlled using warning signs and barrels.

Alternating eastbound and westbound inside lane closures will occur between **Monday evening, January 26<sup>th</sup> and Saturday morning January 31<sup>st</sup>**. The eastbound lane closures will be between 8:00 p.m. and 6:00 a.m. The westbound lane closures will be between 9:00 p.m. and 7:00 a.m.

This project is part of AHTD's Connecting Arkansas Program and completes the widening of Interstate 40 between Conway and North Little Rock. The project widens I-40 to three lanes in each direction. The project is anticipated to be complete in 2016. More information on this project is available at [ConnectingArkansasProgram.com](http://ConnectingArkansasProgram.com).

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
