## **CONSTRUCTION REQUIRES LANE CLOSURES ON INTERSTATES 630 AND 430 IN LITTLE ROCK**

**LITTLE ROCK (1-30)** – Construction work will require lane closures on Interstates 630 and 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be striping, hanging overhead signs and relocating traffic to the new I-430 northbound to I-630 eastbound flyover ramp. This work will require closing the center and outside eastbound lanes of Interstate 630. The closure will extend from Shackleford Road to the Barrow Road Exit. However, all entrance ramps and exit ramps will remain open.

Also closed will be the northbound outside lane of Interstate 430 from the Shackleford Road overpass to Interstate 630.

These closures will be **Saturday, January 31<sup>st</sup>**, between 6:00 a.m. and 6:00 p.m., weather permitting. If work is not complete, it will continue Sunday, February 1<sup>st</sup>, between 6:00 a.m. and 6:00 p.m., weather permitting. Traffic will be controlled using barrels, warning signs and electronic message boards. If weather prohibits the work entirely, it will be delayed until the following weekend.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
