RESTRIPING WORK REQUIRES OVERNIGHT LANE CLOSURES ON INTERSTATE 430 IN LITTLE ROCK

LITTLE ROCK (2-6) – Restriping work will require overnight lane closures on Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A crew will restripe Interstate 430 northbound and southbound between Interstate 30 and Highway 5 (Stagecoach Road). The work will reduce I-430 traffic to one lane within the work zone. It will begin on I-430 northbound near Interstate 30. Once northbound work is complete, crews will restripe the southbound lanes.

The closures will begin **Saturday night, February 7th** between 8:00 p.m. and midnight. The work will continue **Sunday night, February 8th**, between 7:00 p.m. and 8:00 a.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
