IMPROVEMENTS TO I-630 REQUIRE LANE CLOSURE IN LITTLE ROCK

LITTLE ROCK (2-9) – Striping removal will require a lane closure on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will remove striping in preparation for opening the eastbound lanes at the new Shackleford Road overpass. The work will require closing the I-630 eastbound inside lane between Shackleford Road and the Baptist Health exit.

The eastbound inside lane closure will be **Monday, February 9th through Friday, February 13th**, between 9:00 a.m. and 3:00 p.m., each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
