“BIG ROCK” INTERCHANGE CONSTRUCTION REQUIRES OVERNIGHT I-630 LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (3-27) – Construction work at the I-430/630 “Big Rock” Interchange will require overnight lane closures on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A crew will be welding on the I-430 southbound to I-630 eastbound and the I-630 westbound to I-430 southbound flyover ramps.

- **The work will require alternately closing the I-630 eastbound inside or outside lane. The closure will extend from Shackelford Road to the Baptist Health ramp. The eastbound lane closures will be Sunday night, March 29th through Tuesday morning, April 3rd. Weather permitting, the closures will only occur between 9:00 p.m. and 5:00 a.m.**
- **It will also require alternately closing the I-630 westbound inside or outside lane. That closure will extend from the Baptist Health exit to the I-430 overpass. The westbound lane closures will be Wednesday night, April 1st through Friday morning, April 3rd. Weather permitting, the closures will only occur between 9:00 p.m. and 5:00 a.m.**

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
