IMPROVEMENTS TO I-630 REQUIRE LANE CLOSURE IN LITTLE ROCK

LITTLE ROCK (4-24) – Improvements to Interstate 630 require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will install an overhead sign. The work will reduce westbound traffic to one lane between the Baptist Health exit (Exit 7) and the Interstate 430 northbound access ramp. Traffic will also be stopped intermittently during the installation process.

The Interstate 630 lane closures will be Sunday, April 26th, between 6:00 a.m. and 6:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
