INSPECTION REQUIRES LANE & ROAD CLOSURES ON HIGHWAY 187 IN CARROLL COUNTY

LITTLE ROCK (4-30) – A routine dam inspection by the Corps of Engineers will require lane and temporary road closures on Highway 187 in Carroll County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A Corps of Engineers crew will inspect Beaver Dam on Highway 187, north of Eureka Springs. During the inspection, traffic will be reduced to one lane and controlled using flaggers. It's also important to note that both lanes of travel will be closed at approximately 15 minute intervals (up to possibly 30 minutes) during the inspection.

The lane closures will **Friday, May 1st**, between 8:00 a.m. and 5:00 p.m., weather permitting.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
