WORK REQUIRES I-630 LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (5-8) – Work will require lane closures on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will remove a temporary concrete barrier wall located north of the Interstate 630 westbound lanes, below the I-430 overpasses. The work will require closing the I-630 westbound outside lane between the Interstate 430 northbound on ramp and the Interstate 430 southbound off ramp.

The closures will be **Monday, May 11th through Friday, May 15th**, between 9:00 a.m. and 3:00 p.m., each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
