### **WEIGHT RESTRICTION REMOVED FROM HIGHWAY 63 BRIDGE IN LAWRENCE COUNTY**

**LITTLE ROCK (5-19)** – A new bridge means no weight restriction on the Highway 63 Black River bridge in Black Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The new bridge is now open to traffic as crews complete minor work. This bridge can support a normal weight limit of up to 80,000 lbs. The bridge it replaced was built in 1949 and had been restricted to 66,000 lbs., after decades of service.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
