### **High Water Recedes on State Highway 108 in Little River County**

*Highway reopens following cleaning, inspection*

**LITTLE ROCK (6-6)** – High water where State Highway 108 crosses Walnut Bayou in Little River County that prompted the closure of a section of the route has receded, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The highway was reopened at 10:15 a.m. today following a thorough inspection by AHTD engineers and cleaning by maintenance crews. The closure included 3.5 miles of State Highway 108 between the Oklahoma State Line (west end) and the intersection with Little River County Road 20 (east end).

Additional State Highway closures can be found at [www.idrivearkansas.com/alternate-routes](http://www.idrivearkansas.com/alternate-routes) or [www.arkansashighways.com](http://www.arkansashighways.com). Follow us on Twitter @AHTD for alerts about travel conditions throughout Arkansas.
