IMPROVEMENTS TO INTERSTATE 30 REQUIRE LANE CLOSURE IN SALINE/HOT SPRING COUNTY

LITTLE ROCK (6-11) – Improvements to Interstate 30 will require a lane closure in Saline and Hot Spring County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will reconstruct the pavement on Interstate 30 between Highway 70 and Highway 67, west of Benton. The work will reduce westbound traffic to one lane between mile markers 111 and 107.

The westbound outside lane closure will begin **Thursday, June 11th** and continue until mid-summer. At that time, traffic will be shifted to the new westbound lane and work will begin on the inside lane and shoulder.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
