IMPROVEMENTS TO I-630 REQUIRE LANE CLOSURE IN LITTLE ROCK

LITTLE ROCK (6-23) – Improvements to Interstate 630 require lane closures on the route in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will work on lighting beneath the Interstate 430 overpass. This will require closing the I-630 eastbound and westbound outside lanes within the work zone.

The lane closures will be **Thursday, June 25th and Friday, June 26th**, between 9:00 a.m. and 3:00 p.m., each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
