DRAINAGE IMPROVEMENTS ON HIGHWAY 8 REQUIRE CLOSURE IN DALLAS COUNTY

LITTLE ROCK (7-9) – Drainage improvements on State Highway 8 require closing a portion of Highway 8 in Dallas County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will install a new box culvert beneath Highway 8. This will occur 2.5 miles west of the State Highway 9 intersection. The work will require closing Highway 8 during the installation. An alternate detour route will be provided utilizing State Highways 9, 128, and 7 from Princeton to Dalark (Detour Route Map Attached).

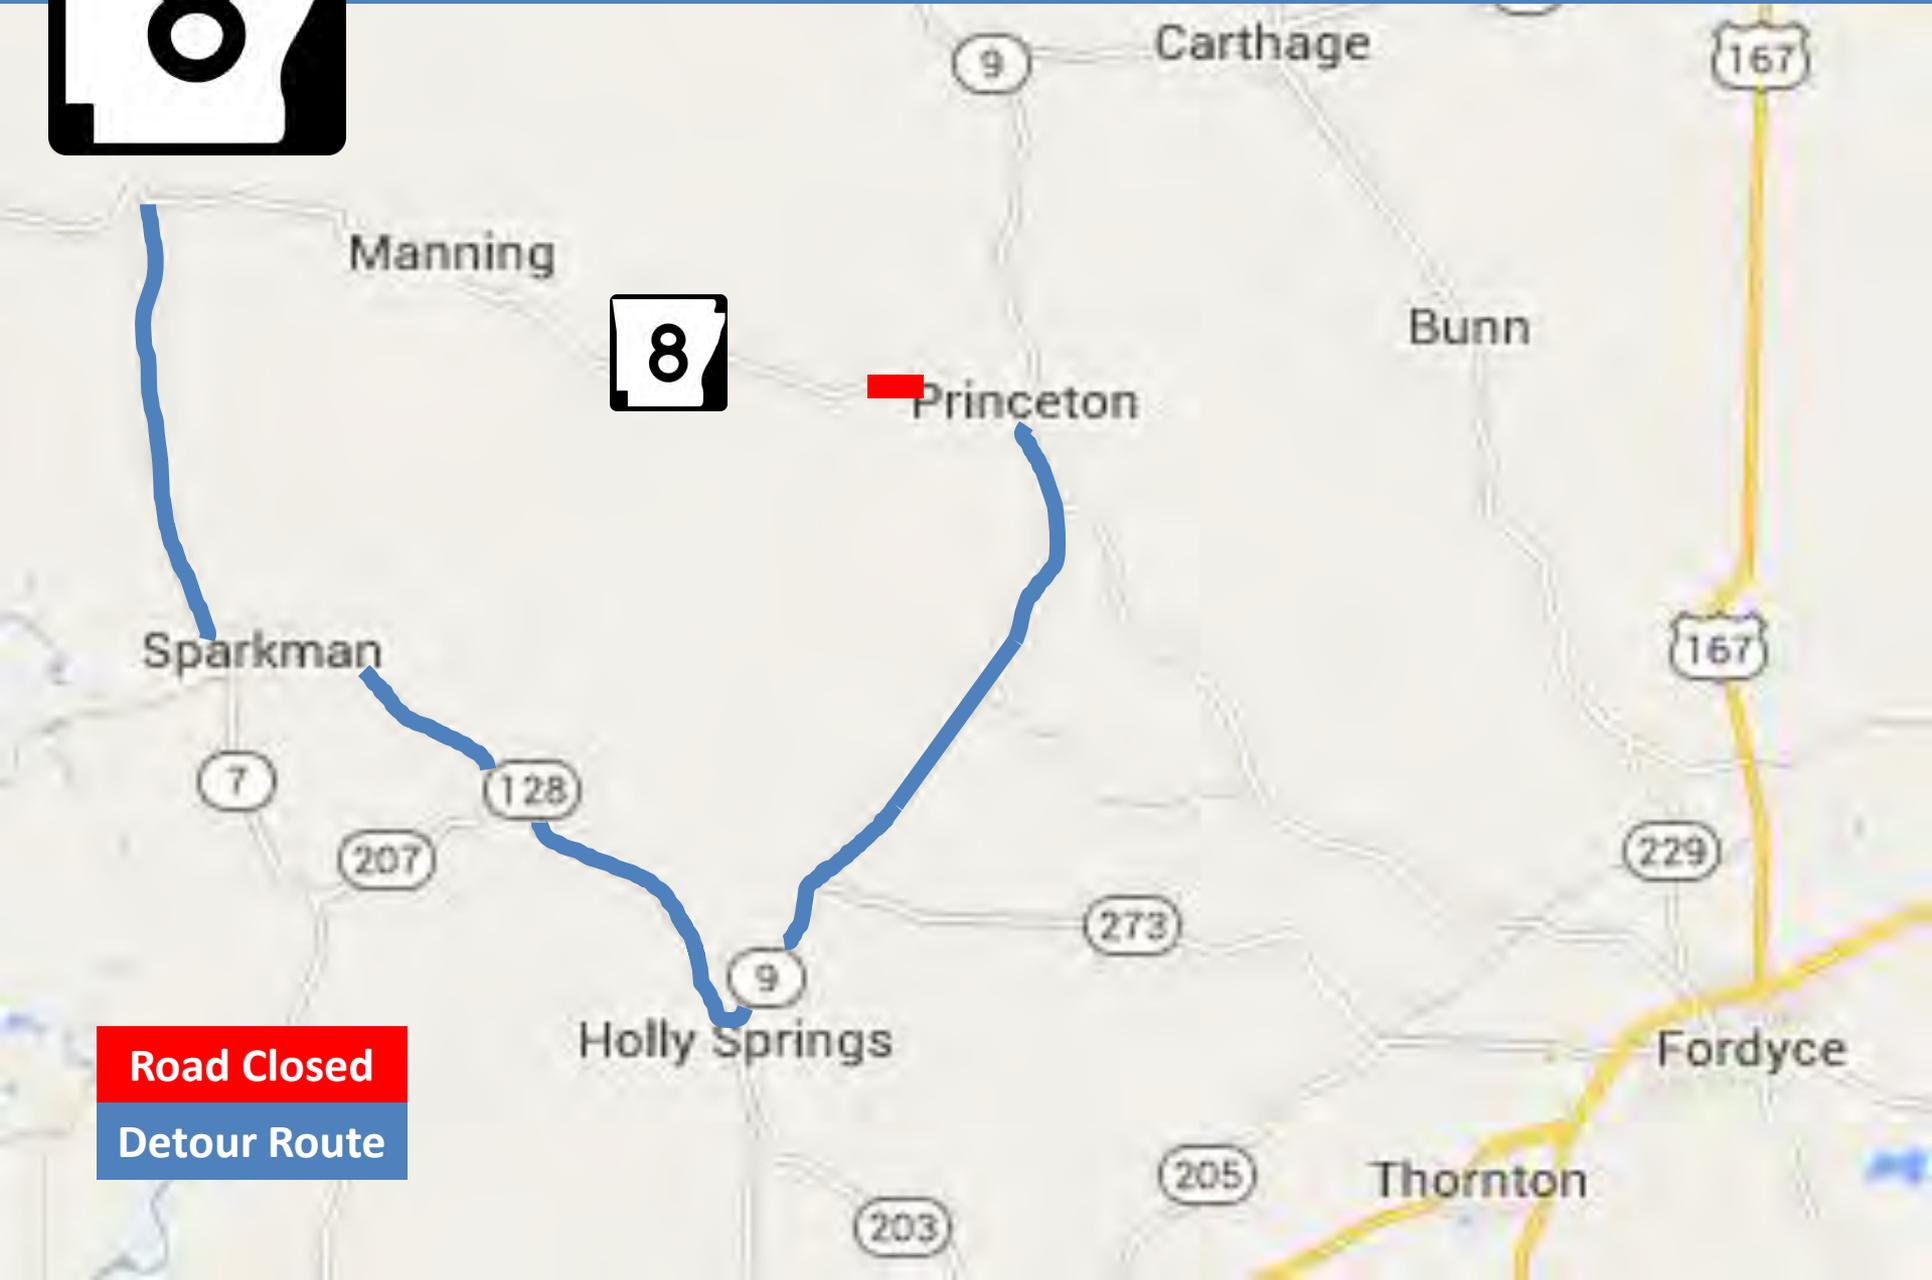

The Highway 8 road closure will be **Monday, July 13th at 6:00 a.m. through Friday, July 17th at 5:00 p.m.**, weather permitting. Traffic will be controlled using barrels and warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
