DRAINAGE IMPROVEMENT REQUIRES LANE CLOSURE ON HIGHWAY 46 IN GRANT COUNTY

LITTLE ROCK (7-16) – A drainage improvement will require a lane closure on Highway 46 in Grant County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A crew will replace a culvert beneath Highway 46. The work will be performed 4.7 miles east of Highway 270, between Sheridan and Redfield. This will reduce traffic to one lane within the work zone. A temporary patch will be placed at the work zone at night allowing both lanes to be open.

The closure will occur **Monday, July 20th through Wednesday, July 23rd**, between 7:00 a.m. and 5:00 p.m., each day, weather permitting.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
