## **DRAINAGE MODIFICATION REQUIRES INTERSTATE 30 FRONTAGE ROAD LANE CLOSURE IN BRYANT**

**LITTLE ROCK (8-7)** – Drainage modification will require an Interstate 30 Frontage Road lane closure in Bryant, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be removing Check Dams (used to reduce water flow and prevent erosion) along the I-30 Frontage Road. The work will be performed between mile markers 120 and 121, in front of Everett Buick-GMC. The work will require closing the outside lane on the Frontage Road within the work zone. Traffic will be controlled by Arkansas Sign & Barricade.

The closure will occur **Monday, August 10<sup>th</sup> and Tuesday, August 11<sup>th</sup>**, between 9:00 a.m. and 3:30 p.m., weather permitting.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
