### **NEW HIGHWAYS TO OPEN IN LINCOLN COUNTY**

**Opening of Hwy. 530 and Hwy. 11**

**Little Rock (8-10)** - The Arkansas State Highway and Transportation Department tentatively has scheduled the opening of the next section of Hwy. 530 south of Hwy. 114 and the new Hwy. 11 for **Tuesday, August 18<sup>th</sup>, 2015.**

The newly constructed Hwy. 11 begins at Newton Chapel and extends across to Hwy. 425. The section of Hwy. 530 that is being opened will extend from Hwy. 114 to the Hwy. 11 Connector. These two new sections of roadway will allow the traveling public to travel to Hwy. 425 via Hwy. 530 without having to detour through Star City. Once the new sections are open to traffic, drivers should be aware that the crossing of Hwy. 530 at Hwy. 114 will become a stop condition for the traffic traveling on Hwy. 114 and the traffic traveling on Hwy. 530 will have the right-of-way. Drivers should also be aware that a new stop condition will be installed on the old section of Hwy. 11 at Newton Chapel.

Adjustments to the Contractor's schedule may be required due to weather or other unforeseen conditions.

Motorists should remember to **Obey the Posted Speeds**; to **Maintain a Steady Speed**; to **Leave Room** between them and other vehicles; to be **Aware of Motorist Entering and Exiting** Intersecting Highways; and to **Be Aware of Road Conditions** in front of them.

The Arkansas Highway Commission awarded a contract for this project in March 2012 to Graves and Associates, Inc. of Pine Bluff. The project is anticipated to be complete by August 21, 2015.
