GROUNDBREAKING CEREMONY CELEBRATES NEW HIGHWAY PROJECT

LITTLE ROCK (8-17) – Arkansas Highway Commissioner Robert S. Moore, Jr., of Arkansas City, and Arkansas State Highway and Transportation Department (AHTD) Director Scott Bennett will join Lake Village Mayor JoAnne Bush and other local officials for a groundbreaking event on Friday, August 28 at 11:15 am. to recognize the replacement of two bridge structures on Highway 144 just north of downtown Lake Village in Chicot County.

Manhattan Road and Bridge was awarded the \$2.8 million contract and began work in July. The purpose of the project is to construct two new bridge structures to replace ones that the AHTD had added to its bridge replacement list.

The project is located on Highway 144 approximately six miles north of downtown Lake Village and is the main roadway to Lake Chicot State Park.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
