WORK TO CLOSE NORTHBOUND LANES OF U.S. HIGHWAY 70 IN DOWNTOWN LITTLE ROCK THIS WEEKEND

LITTLE ROCK (8-21) – Work to replace an air conditioning system on the roof of a hotel in Downtown Little Rock will require lane closures on U.S. Highway 70 (Broadway) this weekend, according to Arkansas State Highway and Transportation Department (AHTD) officials.

On Sunday, August 23rd, between 9:00 a.m. and 3:00 p.m., the northbound lanes of Broadway will be closed from 6th Street to 7th street to accommodate the placement of a large crane that will hoist air handling units to the roof of the LaQuinta Inn & Suites Downtown Conference Center.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
