Repairs Require Closure to Interstate 530 On-Ramp near White Hall

JEFFERSON (11-02) – Repairs on the northbound I-530 on-ramp at Exit 34 (White Hall) will require half of the ramp to be closed, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The closure will redirect traffic to the shoulder of the on-ramp and will **start at 7:00 a.m. on Thursday, November 5**, weather permitting. Traffic will be controlled using traffic cones and advance warning signs.

Traffic, specifically commercial trucks, traveling north on U.S. Highway 270 towards I-530 should consider using State Highway 104. Crews will be repairing the concrete paving and half of the on-ramp lane will be closed while traffic is routed along the other partial lane and the shoulder.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
