Repairs Require Lane Closure on U.S. Highway 82 Mississippi River Bridge

CHICOT COUNTY (11-06) – Repairs conducted by the Mississippi Department of Transportation (MDOT) on the U.S. Highway 82 Mississippi River Bridge will require a single lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The outside eastbound lane will be closed across the main span of the bridge and impact to traffic is expected to be minimal. **The closure is expected to continue until the end of the year.** Traffic will be controlled using traffic cones and advance warning signs.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
