Routine Inspection Requires Lane Closure on Interstate 55 in Crittenden County

CRITTENDEN COUNTY (11-25) – A routine inspection of the I-55 Bridge over the Mississippi River between West Memphis and Memphis in Crittenden County will require lane closures next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Starting **Tuesday, December 1** and continuing through **Friday, December 4**, work will require the outside northbound and southbound lanes on the bridge to be alternately closed as work progresses between **9:00 a.m. and 3:00 p.m.**

Traffic will be controlled using warning lights and cones.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
