Construction Requires Overnight Ramp Closures, Detours and Traffic Shifts along Interstate 440 Work Zone

PULASKI COUNTY (10-3) – Construction work will require temporary closures of on and off ramps along the I-440 work zone and a traffic shift in the work zone itself, according to Arkansas State Highway and Transportation Department (AHTD) officials.

- ➢ **Monday, October 3,** from **11 p.m. to 4 a.m.**

    - o I-440 westbound off ramp to Bankhead Drive

- ➢ **Monday, October 3,** from **11 p.m. to 6 a.m.**

    - o Fourche Dam Pike I-440 eastbound on ramp

- ➢ **Wednesday, October 5,** from **9 p.m. until complete**

    - o I-440 westbound traffic will shift from inside lane and shoulder to outside and middle lanes. **This will result in major delays to motorists traveling I-440 westbound until at least midnight.**

Detour maps have been attached for each of these closures. These closures will allow crews to make repairs to existing ramps and switch traffic to permanent ramps, weather permitting.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter @AHTD.
