Improvements to U.S. Highway 67/167 Requires a Moving Lane Closure in Jacksonville

PULASKI COUNTY (5-16) – Construction work improving U.S. Highway 67/167 will require a moving lane closure on the frontage roads, T.P. White Drive and John Harden Drive, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will consist of drilling into the shoulder in several locations along T.P. White Dr. and John Harden Dr. between Main Street (Exit 9) and Vandenberg Boulevard (Exit 11 – Air Force Base Exit). A section of the outside lane will be closed **Tuesday, May 17 through Friday, May 20 from 9:00 a.m. to 3:00 p.m.**, weather permitting.

This project is in preparation for the future widening of U.S. Highway 67 between Jacksonville and Cabot. It's part of AHTD's Connecting Arkansas Program. More information on this project is available at ConnectingArkansasProgram.com

Traffic will be controlled using traffic drums, arrow boards, message boards and warning signs. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
