WORK REQUIRES RAMP CLOSURES, DETOURS ON I-440

LITTLE ROCK (6-9) – Construction work will require closure of two ramps on I-440 in vicinity of the Little Rock airport, according to Arkansas State Highway and Transportation Department (AHTD) officials. See attached map.

Crews will be replacing the westbound outside lanes of the freeway between Bankhead Drive and Lindsey Road. The work will require closure of the Lindsey Road on-ramp and the Bankhead Drive off-ramp. Motorists traveling I-440 westbound wishing to access Bankhead Drive will exit at Lindsey Road (Exit 4) and come to a full stop before proceeding further west on an existing auxiliary lane that connects to Lindsey Road.

Similarly, motorists entering I-440 westbound from Lindsey Road will be required to progress along the same auxiliary lane that connects to Bankhead Drive. Traffic will be required to come to a full stop before proceeding across Bankhead Drive and entering I-440 via the on-ramp.

The transition will occur **Friday night, June 10, beginning at 9:00 p.m.** The ramp closure and detour will remain in effect until work is complete. Additional signs and portable message boards will be in place to assist motorists in navigating the work zone.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
