Maintenance Requires Alternating Lane Closure on U.S. Highway 67 Bridge over the Black River

RANDOLPH COUNTY (6-17) – Maintenance work requires an alternating lane closure on the southbound U.S. Highway 67 Black River Bridge in Pocahontas, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require alternating a single lane closure of the inside and outside southbound lanes of the southbound bridge starting at **7:00 a.m. on Tuesday, June 21** and continuing through **3:00 p.m. Friday, June 24**, weather permitting.

This work is done in preparation for detouring both north and southbound traffic onto the southbound bridge after the July 4th holiday. All lanes will be open to traffic during the holiday weekend.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
