Improvements to Interstate 630 Requires an Overnight Lane Closure in Pulaski County

PULASKI COUNTY (7-5) – Construction work on the onramp for John Barrow Road to eastbound I-630 requires an overnight lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The ramp carrying traffic from John Barrow Road onto I-630 eastbound will be closed between **10:00 p.m. and 6:00 a.m. on Wednesday, July 6 and Thursday, July 7**. Traffic will use the ramp as normal outside of the closure hours.

The closure only affects traffic traveling to eastbound I-630 by way of John Barrow Road. Motorists will be directed by signage to take Exit 7, accessed by using the I-630 westbound on and off ramps and turning around at Baptist Health Drive to access I-630 eastbound. The attached map illustrates this detour route.

The exit ramp carrying traffic from John Barrow Road to westbound I-630 will remain unaffected by this work.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
