UPDATE!!!

Improvements to Interstate 49 Require Overnight Lane Closures in Washington County

WASHINGTON COUNTY (8-11) – Construction work on I-49 in Johnson and Springdale requires overnight lane closures on I-49, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Continuing **on Sunday night, August 14**, crews will remove temporary concrete barriers, resurface existing lanes, and place the final surface on the median lane and shoulder on northbound and southbound lanes of I-49. The work will extend south and north of the U.S. Highway 412/Sunset Avenue overpass (Exit 72) in Springdale. The inside and outside lanes of I-49 will alternately be closed during this time period to allow for construction.

The overnight lane closures will occur nightly starting on **Sunday, August 14** and ending **Friday morning, August 19**, weather permitting. Traffic will be controlled using signage and barrels.

- Northbound I-49 lane closures will occur **between 8:00 p.m. and 6:00 a.m.**
- Southbound I-49 lane closures will occur **between 9:00 p.m. and 7:00 a.m.**

This project (Job CA0401) is part of AHTD's Connecting Arkansas Program and includes widening 4.5 miles of I-49 to three lanes in each direction. The work extends from U.S. Highway 71B in Johnson to U.S. Highway 412 in Springdale. The project is anticipated to be complete in late 2016. More information on this \$28.3 million project is available at ConnectingArkansasProgram.com.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
