### **Maintenance to State Highway 129 Requires Weight Restrictions in Union County**

**UNION COUNTY (7-18)** – Improvements to State Highway 129 will require weight restrictions in Union County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be replacing a timber cap on a State Highway 129 bridge that crosses an unnamed creek between U.S. Highway 63 and the city of Lawson. This section of roadway will be closed to vehicles over 20,000 lbs. but traffic under that weight can proceed through the work zone as normal.

The restriction will begin **Wednesday, July 20**, at 9:00 a.m. and end at **5:00 p.m.**, weather permitting. Traffic will be controlled using, flaggers and warning signs. Drivers should exercise caution when approaching and traveling through all highway work zones.
