### **Improvements to Interstate 40 Service Road Require Overnight Lane Closures in West Memphis**

**CRITTENDEN COUNTY (9-23)** – Construction work on the I-40 service road requires overnight, temporary lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

This work will occur from **7:00 p.m. Sunday, September 25, 2016**, through **7:00 a.m. Friday September 30, 2016** from State Highway 118 (College Blvd.) to State Highway 77 (Missouri St.). The lane closures will be between the hours of **7:00 p.m. and 7:00 a.m.** Traffic will be normal outside of the closure hours.

Traffic control will include lane closures with flagging operations, a pilot vehicle and lane shifts. The closure only affects one lane at a time for pavement milling three to four nights, and asphalt replacement and striping operations for three to four nights. Motorists should be aware that uneven lanes may be present during both phases of construction.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at [IDriveArkansas.com](http://IDriveArkansas.com) or [ArkansasHighways.com](http://ArkansasHighways.com).
