Resurfacing Work Requires Alternating Lane Closures on State Highway 338 near Dixon Road

PULASKI COUNTY (11-4) – Resurfacing State Highway 338 will require an alternating lane closure at the Interstate 530 interchange (Exit 3), according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require an alternating lane closure of the eastbound and westbound lanes of State Highway 338 at the I-530 interchange. This closure will occur **Monday, November 7**, through **Thursday, November 10, between 9:00 a.m. and 2:30 p.m.**, weather permitting.

This work will periodically impact traffic for the on and off ramps during the closures, but the ramps are expected to remain open during the work. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
