Replacement of State Highway 355 Culvert Requires Road Closure in Northern Columbia County

COLUMBIA COUNTY (11-10) – The replacement of a pipe culvert will require the closure of a section of State Highway 355 north of Magnolia, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Work will begin at **7:00 a.m.** on **Monday, November 14**, and should be completed by that evening, weather permitting. Due to the amount of work required it is possible the closure will remain in place until the following day, Tuesday, November 15.

This closure will require a detour route. Traffic traveling northbound on U.S. Highway 371 will be detoured north to Willisville to use State Highway 32 to reach State Highway 53 and travel south. Traffic traveling southbound on State Highway 53 will be detoured across State Highway 82 and then north on State Highway 371.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
