Construction Work on Interstate 30 Requires Lane Closures

PULASKI COUNTY (12-5) – Improvements to Interstate 30 will require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The resurfacing work will occur on the inside and center eastbound lanes between 65th Street (Exit 135) and the railroad viaduct just west of the Arch Street underpass starting at **10:00 a.m. on Tuesday, December 6**, weather permitting. The work will continue until completed, which is anticipated to be later in the evening.

Drivers are encouraged to take alternate routes when possible. Traffic will be controlled by traffic barrels and signage.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
