Maintenance Work on State Highway 7 Requires Temporary Ramp Closure in Camden

OUACHITA COUNTY (12-16) – Maintenance work at the intersection of State Highways 7 and U.S. Highway 79 requires a temporary ramp closure and detour in Camden, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The off-ramp from U.S. Highway 79 south to State Highway 7 will be closed from **7:30 a.m.** to **4:00 p.m.** on **Monday, December 19**, weather permitting. Traffic needing to take State Highway 7 (north or south) will take a detour south on U.S. Highway 79 to the U.S. Highways 79 and 278 interchange, pass under the overpass and use the on-ramp for U.S. Highway 79 north. Traffic can then take the exit for State Highway 7 north or south as needed. Please see attached map.

Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
